<<   List of Tabulations   >>

A.   **Demographic Characteristics**

B.   **Educational Characteristics**

C.   **Economic Characteristics**

D.   **Household Characteristics**

E.   **Housing Characteristics**

F.   **New Town Characteristics**

G.   **Internal Migration and Moving Home Characteristics**

H.   **Social Characteristics**

I.   **Population Sub-group Characteristics**

   (a) Usual Residents

   (b) Mobile Residents

   (c) Elderly population aged 60 and over

   (d) Elderly persons aged 65 and over

J.   **Marine Vessels**

Notes :   (a)   In some tables, cells containing extremely small values would be suppressed or merged with adjacent cells for presentation.

(b)   Abbreviation in brackets after a variable name refers to the grouping or classification of the variable in the tabulation, e.g. 9G means in nine groups.

(c)   Tables marked with an asterisk "*" are compiled based on complete enumeration and the rest are estimates derived from the sample enquiry.

A. Demographic Characteristics

Geographical Level: Whole Territory

* A01.   Hong Kong Resident Population x Broad area

* A02.   Hong Kong Resident Population x Sex x Quinquennial age group (up to 75+)

A03.   Hong Kong Resident Population x Marital status (4G) x Single age (up to 100+) x Sex

Geographical Level: District Council District

A04.   Hong Kong Resident Population x Marital status (4G) x Quinquennial age group (up to 75+) x Sex

* A05.   Hong Kong Resident Population x Sex x Single age (up to 75+)

Geographical Level: District Council / Constituency Area

* A06.   Hong Kong Resident Population x Type of household x Sex x Broad age group (4G)

A07.   Hong Kong Resident Population x Marital status (2G) x Sex x Broad age group (4G)

* A08.   Hong Kong Resident Population x Sex x Quinquennial age group (up to 75+)

* A09.   Hong Kong Resident Population x Sex x Single age (up to 75+)

A.   Demographic Characteristics

Geographical Level: Large Tertiary Planning Unit Group

* A10.   Hong Kong Resident Population x Type of household x Sex x Broad age group (4G)

  A11.   Hong Kong Resident Population x Marital status (2G) x Sex x Broad age group (4G)

* A12.   Hong Kong Resident Population x Sex x Quinquennial age group (up to 75+)

* A13.   Hong Kong Resident Population x Sex x Single age (up to 75+)

Geographical Level: Small Tertiary Planning Unit Group

* A14.   Hong Kong Resident Population x Broad age group (7G) x Sex

  A15.   Hong Kong Resident Population x Marital status (2G) x Sex

Geographical Level: Tertiary Planning Unit

* A16.   Hong Kong Resident Population x Broad age group (7G) x Sex

Geographical Level: Small Street Block Group

* A17.   Hong Kong Resident Population

B.   Educational Characteristics

Geographical Level: Whole Territory

B01.   Hong Kong Resident Population x School attendance x Single age (up to 75+) x Sex

B02.   Hong Kong Resident Population x Educational attainment (highest level attended) (36G) x School attendance x Quinquennial age group (up to 75+) x Sex

B03.   Hong Kong Resident Population x Educational attainment (highest level completed) (35G) x School attendance x Quinquennial age group (up to 75+) x Sex

B04.   Hong Kong Resident Population x Educational attainment (highest level attended) (36G) x Field of education of highest level attended (27G) x Quinquennial age group (up to 75+) x Sex

B05.   Hong Kong Resident Population x Educational attainment (highest level completed) (35G) x Field of education of highest level completed (27G) x Quinquennial age group (up to 75+) x Sex

B06.   Hong Kong Resident Population x Educational attainment (highest level attended) (36G) x School attendance x Field of education of highest level attended (27G)

B07.   Hong Kong Resident Population x Educational attainment (highest level completed) (35G) x School attendance x Field of education of highest level completed (27G)

B08.   Hong Kong Resident Population x Educational attainment (highest level attended) (10G) x Marital status (4G) x Sex x Quinquennial age group (up to 75+) x Whether working

B09.   Hong Kong Resident Population x Educational attainment (highest level completed) (9G) x Marital status (4G) x Sex x Quinquennial age group (up to 75+) x Whether working

B. Educational Characteristics

Geographical Level: Whole Territory

B10. Hong Kong Resident Population studying full-time x Educational attainment (highest level attended) (36G) x School age group (29G) x Sex

B11. Hong Kong Resident Population studying full-time x Educational attainment (highest level completed) (35G) x School age group (29G) x Sex

B12. Hong Kong Resident Population studying full-time x Travelling pattern of trips to school x School age group (29G)

B13. Hong Kong Resident Population studying full-time in HK x Place of study (District Council district/New Town) x Main mode of transport to place of study (19G)

B14. Hong Kong Resident Population studying full-time in HK x Place of study (District Council district/New Town) x All modes of transport to place of study

B15. Hong Kong Resident Population studying full-time in HK x Number of modes of transport to place of study x Place of study (District Council district)

B16. Hong Kong Resident Population studying part-time x Educational attainment (highest level attended) (36G) x Quinquennial age group (up to 75+) x Sex

B17. Hong Kong Resident Population studying part-time x Educational attainment (highest level completed) (35G) x Quinquennial age group (up to 75+) x Sex

B18. Hong Kong Resident Population studying distance learning course x Educational attainment (highest level attended) (36G) x Quinquennial age group (up to 75+) x Sex

B. Educational Characteristics

Geographical Level: Whole Territory

B19. Hong Kong Resident Population studying distance learning course x Educational attainment (highest level completed) (35G) x Quinquennial age group (up to 75+) x Sex

Geographical Level: District Council District

B20. Hong Kong Resident Population x Educational attainment (highest level attended) (7G) x Quinquennial age group (up to 75+) x Sex

B21. Hong Kong Resident Population x Educational attainment (highest level completed) (7G) x Quinquennial age group (up to 75+) x Sex

B22. Hong Kong Resident Population x Educational attainment (highest level attended) (7G) x School attendance x Broad age group (4G)

B23. Hong Kong Resident Population x Educational attainment (highest level completed) (7G) x School attendance x Broad age group (4G)

B24. Hong Kong Resident Population studying full-time x Educational attainment (highest level attended) (7G) x Place of study (District Council district/Other countries)

B25. Hong Kong Resident Population studying full-time x Educational attainment (highest level completed) (7G) x Place of study (District Council district/Other countries)

B26. Hong Kong Resident Population studying full-time x School age group (5G) x Educational attainment (highest level attended) (7G) x Sex

B27. Hong Kong Resident Population studying full-time x School age group (5G) x Educational attainment (highest level completed) (7G) x Sex

B.   Educational Characteristics

Geographical Level: District Council District

B28.   Hong Kong Resident Population studying full-time in HK x Educational attainment (highest level attended) (7G) x Travelling pattern of trips to school

B29.   Hong Kong Resident Population studying full-time in HK x Educational attainment (highest level completed) (7G) x Travelling pattern of trips to school

B30.   Hong Kong Resident Population studying full-time in HK x School age group (5G) x Place of study (District Council District)

B31.   Hong Kong Resident Population studying full-time in HK x Main mode of transport to place of study (10G) x Place of study (District Council district)

B32.   Hong Kong Resident Population studying full-time in HK x Place of study (District Council district) x Number of modes of transport to place of study

Geographical Level: District Council / Constituency Area

B33.   Hong Kong Resident Population x Educational attainment (highest level attended) (7G) x Broad age group (4G)

B34.   Hong Kong Resident Population x Educational attainment (highest level completed) (7G) x Broad age group (4G)

B35.   Hong Kong Resident Population x Field of education of highest level attended (12G)

B36.   Hong Kong Resident Population x Field of education of highest level completed (12G)

B. Educational Characteristics

Geographical Level: District Council / Constituency Area

B37.   Hong Kong Resident Population studying full-time in HK x Place of study (Broad area)

Geographical Level: Large Tertiary Planning Unit Group

B38.   Hong Kong Resident Population x Educational attainment (highest level attended) (7G) x Broad age group (4G)

B39.   Hong Kong Resident Population x Educational attainment (highest level completed) (7G) x Broad age group (4G)

B40.   Hong Kong Resident Population x Field of education of highest level attended (12G)

B41.   Hong Kong Resident Population x Field of education of highest level completed (12G)

B42.   Hong Kong Resident Population studying full-time in HK x Place of study (Broad area)

Geographical Level: Small Tertiary Planning Unit Group

B43.   Hong Kong Resident Population x Educational attainment (highest level attended) (7G) x Broad age group (2G)

B44.   Hong Kong Resident Population x Educational attainment (highest level completed) (7G) x Broad age group (2G)

C. Economic Characteristics

Geographical Level: Whole Territory

C01.   Hong Kong Resident Population x Economic activity status (10G) x Marital status (4G) x Quinquennial age group (up to 75+) x Sex

C02.   Hong Kong Resident Population x Economic activity status (8G) x Ethnicity (15G) x Sex

C03.   Hong Kong Resident Population (aged 15+) x Whether in labour force x Sex x Single age (up to 75+)

C04.   Hong Kong Resident Population x Educational attainment (highest level attended) (10G) x Occupation (Major group) x Quinquennial age group (up to 75+) x Sex

C05.   Hong Kong Resident Population x Educational attainment (highest level completed) (9G) x Occupation (Major group) x Quinquennial age group (up to 75+) x Sex

C06.   Working population x Economic activity status (5G) x Monthly income from main employment x Quinquennial age group (up to 65+) x Sex

C07.   Working population x Industry (Group) x Economic activity status (5G) x Sex

C08.   Working population x Economic activity status (5G) x Occupation (Major group) x Industry (Sector)

C09.   Working population x Occupation (Major group) x Economic activity status (5G) x Sex

C10.   Working population x Educational attainment (highest level attended) (10G) x Monthly income from main employment x Quinquennial age group (up to 65+) x Sex

C. Economic Characteristics

Geographical Level: Whole Territory

C11. Working population x Educational attainment (highest level completed) (9G) x Monthly income from main employment x Quinquennial age group (up to 65+) x Sex

C12. Working population x Industry (Sector) x Educational attainment (highest level attended) (36G) x Sex

C13. Working population x Educational attainment (highest level attended) (10G) x Occupation (Major group) x Quinquennial age group (up to 65+) x Sex

C14. Working population x Industry (Sector) x Educational attainment (highest level completed) (35G) x Sex

C15. Working population x Educational attainment (highest level completed) (9G) x Occupation (Major group) x Quinquennial age group (up to 65+) x Sex

C16. Working population x Field of education of highest level attended (27G) x Educational attainment (highest level attended) (36G)

C17. Working population x Field of education of highest level completed (27G) x Educational attainment (highest level completed) (35G)

C18. Working population x Occupation (Sub-major group) x Field of education of highest level attended (27G)

C19. Working population x Industry (Sector) x Field of education of highest level attended (27G)

C20. Working population x Occupation (Sub-major group) x Field of education of highest level completed (27G)

C21. Working population x Industry (Sector) x Field of education of highest level completed (27G)

C. Economic Characteristics

Geographical Level: Whole Territory

C22. Working population x Monthly income from main employment x Industry (Sector) x Sex

C23. Working population x Industry (8G) x Monthly income from main employment x Place of work (District Council district / Other countries)

C24. Working population x Industry (Sector) x Occupation (Sub-major group)

C25. Working population x Industry (Sector) x Quinquennial age group (up to 65+) x Sex

C26. Working population x Occupation (Major group) x Marital status (4G) x Quinquennial age group (up to 65+) x Sex

C27. Working population x Monthly income from main employment x Occupation (Sub-major group)

C28. Working population x Monthly income from main employment x Occupation (Major group) x Sex

C29. Working population x Occupation (10G) x Monthly income from main employment x Place of work (District Council district / Other countries)

C30. Working population x Travelling pattern of trips to work (7G) x Occupation (Sub-major group)

C31. Working population x Place of work (Broad group) (12G) x Quinquennial age group (up to 65+) x Sex

C32. Working population x Whether having secondary employment x Sex x Quinquennial age group (up to 65+)

C. Economic Characteristics

Geographical Level: Whole Territory

C33. Working population x Travelling pattern of trips to work (25G) x Industry (Sector)

C34. Working population with fixed place of work in Hong Kong x Main mode of transport to place of work (13G) x Place of work (District Council district)

C35. Working population with fixed place of work in Hong Kong x All modes of transport to place of work x Place of work (District Council district)

C36. Working population with fixed place of work in Hong Kong x Number of modes of transport to place of work x Place of work (District Council District)

C37. Employees with secondary employment x Sex x Quinquennial age group (up to 65+)

C38. Employees with secondary employment x Educational attainment (highest level attended) (10G) x Occupation (Sub-major group)

C39. Employees with secondary employment x Educational attainment (highest level completed) (9G) x Occupation (Sub-major group)

C40. Employees with secondary employment x Occupation (Major group) x Industry (Sector)

C41. Employees with secondary employment x Monthly income from other employment x Monthly income from main employment

C42. Economically active population x Economic activity status (5G) x Educational attainment (highest level attended) (10G) x Quinquennial age group (up to 65+) x Sex

C. Economic Characteristics

Geographical Level: Whole Territory

C43.   Economically active population x Economic activity status (5G) x Educational attainment (highest level completed) (9G) x Quinquennial age group (up to 65+) x Sex

C44.   Ever-married working women x Monthly income from main employment x Quinquennial age group (up to 65+)

Geographical Level: District Council District

C45.   Hong Kong Resident Population x Economic activity status (8G) x Monthly income from all employment

C46.   Hong Kong Resident Population x Economic activity status (8G) x Quinquennial age group (up to 65+) x Sex

C47.   Working population x Economic activity status (5G) x Place of work (District Council district / Other countries)

C48.   Working population x Educational attainment (highest level attended) (7G) x Occupation (10G)

C49.   Working population x Educational attainment (highest level attended) (7G) x Place of work (District Council district / Other countries)

C50.   Working population x Educational attainment (highest level completed) (7G) x Occupation (10G)

C51.   Working population x Educational attainment (highest level completed) (7G) x Place of work (District Council district / Other countries)

C52.   Working population x Industry (Sector) x Monthly income from main employment

C. Economic Characteristics

Geographical Level: District Council District

C53. Working population x Industry (Sector) x Occupation (Major group)

C54. Working population x Industry (8G) x Place of work (District Council district /Other countries)

C55. Working population x Monthly income from main employment x Broad age group (4G) x Sex

C56. Working population x Monthly income from main employment x Industry (8G)

C57. Working population x Monthly income from main employment x Occupation (10G)

C58. Working population x Place of work (Broad group) (5G) x Quinquennial age group (up to 65+) x Sex

C59. Working population x Travelling pattern of trips to work (7G) x Quinquennial age group (up to 65+) x Sex

C60. Working population with fixed place of work in Hong Kong x Broad age group (4G) x Sex x Place of work (District Council district)

C61. Working population with fixed place of work in Hong Kong x Main mode of transport to place of work (10G) x Place of work (District Council district)

C62. Working population with fixed place of work in Hong Kong x Number of modes of transport to place of work x Place of work (District Council District)

C.   Economic Characteristics

Geographical Level: District Council / Constituency Area

C63.   Hong Kong Resident Population x Economic activity status (8G)

C64.   Working population x Industry (Sector)

C65.   Working population x Occupation (Major group)

C66.   Working population x Monthly income from main employment

C67.   Working population with fixed place of work in Hong Kong x Place of work (Broad area)

Geographical Level: Large Tertiary Planning Unit Group

C68.   Hong Kong Resident Population x Economic activity status (8G)

C69.   Working population x Industry (Sector)

C70.   Working population x Occupation (Major group)

C71.   Working population x Monthly income from main employment

C72.   Working population with fixed place of work in Hong Kong x Place of work (Broad area)

Geographical Level: Small Tertiary Planning Unit Group

C73.   Hong Kong Resident Population x Economic activity status (8G)

C74.   Working population x Industry (8G)

C75.   Working population x Occupation (10G)

C76.   Working population x Monthly income from main employment

D. Household Characteristics

Geographical Level: Whole Territory

D01. Domestic households x Number of children aged under 15 in household x Household composition (18G) x Household size

D02. Domestic households x Monthly domestic household income (12G) x Household composition (18G) x Number of working household members

D03. Domestic households x Monthly domestic household income (12G) x Household size x Number of working household members

D04. Domestic households (land) x Household size x Monthly domestic household income (12G) x Type of quarters (38G)

D05. Head of domestic households x Household composition (18G) x Household size x Quinquennial age group of head (up to 75+) x Sex of head

D06. Head of domestic households x Occupation of head (10G) x Industry of head (8G) x Household size x Monthly domestic household income (12G)

D07. Head of domestic households x Nationality of head (33G) x Quinquennial age group of head (up to 75+) x Sex of head

D08. Head of domestic households x Occupation of head (Major group) x Nationality of head (33G)

D09. Hong Kong Resident Population in domestic households x Household composition (18G) x Quinquennial age group (up to 75+) x Sex

* D10. Hong Kong Resident Population in domestic households x Household size x Quinquennial age group (up to 75+) x Sex

D. Household Characteristics

Geographical Level: Whole Territory

D11.   Single person households x Economic activity status (8G) x Monthly domestic household income (12G) x Quinquennial age group of head (up to 65+) x Sex of head

D12.   Domestic households composed of one nuclear family x Household size x Quinquennial age group of head (up to 75+) x Sex of head

Geographical Level: District Council District

D13.   Domestic households x Household size x Family nucleus count

D14.   Domestic households x Household size x Household composition (7G)

D15.   Domestic households x Household size x Monthly domestic household income (12G)

D16.   Domestic households x Household composition (7G) x Monthly domestic household income (12G)

D17.   Domestic households x Number of working household members x Household size

Geographical Level: District Council / Constituency Area

D18.   Domestic households x Household composition (7G)

* D19.   Domestic households x Household size

D20.   Domestic households x Household size x Family nucleus count

D21.   Domestic households x Monthly domestic household income (12G)

D.   Household Characteristics

Geographical Level: Large Tertiary Planning Unit Group

D22.   Domestic households x Household composition (7G)

* D23.   Domestic households x Household size

D24.   Domestic households x Household size x Family nucleus count

D25.   Domestic households x Monthly domestic household income (12G)

Geographical Level: Small Tertiary Planning Unit Group

D26.   Domestic households x Household composition (7G)

* D27.   Domestic households x Household size

D28.   Domestic households x Monthly domestic household income (12G)

Geographical Level: Small Street Block Group

* D29.   Domestic households

E. Housing Characteristics

Geographical Level: Whole Territory

E01. Domestic households (land) x Household composition (18G) x Number of domestic households in the quarters (10G) x Type of quarters (19G)

E02. Domestic households (land) x Type of quarters (19G) x Household size x Monthly domestic household income (12G)

* E03. Domestic households (land) x Household size x Type of quarters (38G) x Number of domestic households in the quarters (4G)

E04. Domestic households (land) x Household size x Type of quarters and accommodation (21G)

E05. Domestic households (land) x Monthly domestic household income (12G) x Type of quarters (4Ga) x Monthly domestic household mortgage payment and loan repayment

E06. Domestic households (land) x Monthly domestic household income (12G) x Type of quarters and accommodation (21G) x Monthly domestic household rent

E07. Domestic households (land) x Monthly domestic household rent x Type of quarters and accommodation (21G) x Tenure of accommodation (8G)

E08. Domestic households (land) x Monthly domestic household mortgage payment and loan repayment x Type of quarters (4Ga) x Tenure of accommodation (8G)

E09. Domestic households (land) x Type of quarters (4Ga) x Mortgage payment and loan repayment to income ratio

E10. Domestic households (land) x Number of rooms in the residence (excl. kitchens and bathrooms/toilets) x Type of quarters and accommodation (21G) x Tenure of accommodation (8G)

E. Housing Characteristics

Geographical Level: Whole Territory

E11. Domestic households (land) x Rent to income ratio x Type of quarters and accommodation (21G)

E12. Hong Kong Resident Population (aged 15+) (land) x Educational attainment (highest level attended) (36G) x Type of quarters (19G)

E13. Hong Kong Resident Population (aged 15+) (land) x Educational attainment (highest level completed) (35G) x Type of quarters (19G)

* E14. Hong Kong Resident Population (land) x Type of quarters (19G) x Quinquennial age group (up to 75+) x Sex

E15. Hong Kong Resident Population (land) x Type of quarters (19G) x Quinquennial age group (up to 75+) x School attendance

E16. Hong Kong Resident Population in domestic households (land) x Number of domestic households in the quarters (10G) x Type of quarters and accommodation (11G)

* E17. Occupied quarters (land) x Number of domestic households in the quarters (4G) x Type of quarters (38G)

* E18. Occupied quarters (land) x Number of occupants in the quarters x Type of quarters (38G)

E19. Working population (land) x Monthly income from main employment x Type of quarters (19G)

E20. Working population (land) x Occupation (Major group) x Type of quarters (19G)

E. Housing Characteristics

Geographical Level: District Council District

E21. Domestic households (land) x Household size x Type of quarters and accommodation (5G)

E22. Domestic households (land) x Monthly domestic household income (12G) x Type of quarters and accommodation (5G)

E23. Domestic households (land) x Type of quarters (4Ga) x Monthly domestic household mortgage payment and loan repayment

E24. Domestic households (land) x Monthly domestic household rent x Type of quarters and accommodation (5G)

E25. Domestic households (land) x Number of rooms in the residence (excl. kitchens and bathrooms/toilets) x Type of quarters (10G)

* E26. Hong Kong Resident Population (land) x Type of quarters (6G) x Quinquennial age group (up to 75+) x Sex

* E27. Hong Kong Resident Population (land) x Type of quarters (10G) x Type of household

* E28. Occupied quarters (land) x Type of quarters (4Gb) x Number of domestic households in the quarters (4G)

* E29. Occupied quarters (land) x Type of quarters (4Gb) x Number of occupants in the quarters

E. Housing Characteristics

Geographical Level: District Council / Constituency Area

E30. Domestic households (land) x Monthly domestic household mortgage payment and loan repayment

E31. Domestic households (land) x Monthly domestic household rent

E32. Domestic households (land) x Tenure of accommodation (5G)

E33. Domestic households (land) x Type of quarters and accommodation (5G)

* E34. Hong Kong Resident Population (land) x Type of quarters (6G)

* E35. Occupied quarters x Number of domestic households in the quarters (4G)

* E36. Occupied quarters x Number of occupants in the quarters

* E37. Occupied quarters (land) x Type of quarters (6G)

Geographical Level: Large Tertiary Planning Unit Group

E38. Domestic households (land) x Monthly domestic household mortgage payment and loan repayment

E39. Domestic households (land) x Monthly domestic household rent

E40. Domestic households (land) x Tenure of accommodation (5G)

E41. Domestic households (land) x Type of quarters and accommodation (5G)

* E42. Hong Kong Resident Population (land) x Type of quarters (6G)

E. Housing Characteristics

Geographical Level: Large Tertiary Planning Unit Group

* E43. Occupied quarters x Number of domestic households in the quarters (4G)

* E44. Occupied quarters x Number of occupants in the quarters

* E45. Occupied quarters (land) x Type of quarters (6G)

Geographical Level: Small Tertiary Planning Unit Group

E46. Domestic households (land) x Tenure of accommodation (5G)

* E47. Domestic households (land) x Type of quarters (4Ga)

* E48. Occupied quarters (land) x Type of quarters (4Ga)

Geographical Level: Small Street Block Grroup

* E49. Occupied quarters

F. New Town Characteristics

Geographical Level: New Town

    F01.   Domestic households x Household composition (18G)

* F02.   Domestic households x Household size

* F03.   Domestic households (land) x Type of quarters (19G) x Household size

    F04.   Domestic households (land) x Monthly domestic household income (12G) x Type of quarters (10G)

    F05.   Domestic households (land) x Monthly domestic household mortgage payment and loan repayment x Type of quarters (4Ga)

    F06.   Domestic households (land) x Monthly domestic household rent x Type of quarters and accommodation (11G)

* F07.   Domestic households (land) x Type of quarters (19G) x Number of domestic households in the quarters (4G)

    F08.   Domestic households (land) x Number of rooms in the residence (excl. kitchens and bathrooms/toilets) x Tenure of accommodation (5G) x Type of quarters and accommodation (5G)

    F09.   Hong Kong Resident Population x Economic activity status (8G) x Broad age group (4G) x Sex

    F10.   Hong Kong Resident Population x Duration of residence in HK (11G)

    F11.   Hong Kong Resident Population x Marital status (4G) x Quinquennial age group (up to 75+) x Sex

    F12.   Hong Kong Resident Population x Educational attainment (highest level attended) (10G) x Quinquennial age group (up to 65+) x Sex

    F13.   Hong Kong Resident Population x Educational attainment (highest level completed) (9G) x Quinquennial age group (up to 65+) x Sex

F. New Town Characteristics

Geographical Level: New Town

F14. Hong Kong Resident Population x Ethnicity (15G)

F15. Hong Kong Resident Population x Nationality (13G)

F16. Hong Kong Resident Population x Place of birth (34G)

F17. Hong Kong Resident Population x School attendance x Quinquennial age group (up to 65+) x Sex

F18. Hong Kong Resident Population aged 5 and over x Usual language (31G)

* F19. Hong Kong Resident Population (land) x Type of quarters (6G) x Type of household x Quinquennial age group (up to 65+) x Sex

F20. Hong Kong Resident Population studying full-time x Place of study (Broad area / Other countries) x School age group (5G) x Sex

F21. Hong Kong Resident Population studying full-time in HK x Travelling pattern of trips to school x Quinquennial age group (up to 65+)

F22. Hong Kong Resident Population studying full-time in HK x Main mode of transport to place of study (10G) x Place of study (District Council district)

F23. Hong Kong Resident Population studying full-time in HK x Number of modes of transport to place of study x Place of study (District Council district)

* F24. Occupied quarters (land) x Type of quarters (19G)

F25. Working population x Economic activity status (8G)

F26. Working population x Occupation (Major group) x Industry (Sector)

F. New Town Characteristics

Geographical Level: New Town

F27. Working population x Occupation (Major group) x Monthly income from main employment

F28. Working population x Place of work (District Council district / Other countries) x Quinquennial age group (up to 65+) x Sex

F29. Working population x Sex x Travelling pattern of trips to work (25G)

F30. Working population with fixed place of work in Hong Kong x Main mode of transport to place of work (10G) x Place of work (District Council district)

F31. Working population with fixed place of work in Hong Kong x Number of modes of transport to place of work x Place of work (District Council District)

G. Internal Migration and Moving Home Characteristics

G01. Domestic households x Area of current residence (District Council district) x Household size x Area of residence 5 years ago (District Council district)

G02. Domestic households x Area of current residence (District Council district) x Monthly domestic household income (8G) x Area of residence 5 years ago (District Council district)

G03. Domestic households x Area of current residence (District Council district) x Area of residence 5 years ago (District Council district) x Broad age group of head (4G) x Sex of head

G04. Domestic households x Area of current residence (New Town) x Household size x Area of residence 5 years ago (New Town)

G05. Domestic households x Area of current residence (New Town) x Monthly domestic household income (8G) x Area of residence 5 years ago (New Town)

G06. Domestic households x Area of current residence (New Town) x Area of residence 5 years ago (New Town) x Broad age group of head (4G) x Sex of head

G07. Domestic households x Monthly domestic household income (12G) x Area of current residence (District Council district) x Whether having internally migrated within Hong Kong

G08. Domestic households (land) x Household size x Type of quarters (38G) x Whether having internally migrated within Hong Kong

G09. Domestic households (land) x Monthly domestic household income (12G) x Type of quarters (19G) x Pattern of internal migration (District Council district)

G10. Domestic households (land) x Type of quarters (19G) x Area of current residence (District Council district / New Town) x Pattern of internal migration (Broad area)

G. Internal Migration and Moving Home Characteristics

G11. Domestic households having internally migrated within Hong Kong x Area of current residence (District Council district / New Town) x Household composition (7G) x Area of residence 5 years ago (District Council district / New Town)

G12. Domestic households having internally migrated within Hong Kong x Area of current residence (District Council district) x Monthly domestic household income (8G) x Area of residence 5 years ago (District Council district / New Town)

G13. Domestic households not having internally migrated x Monthly domestic household income (8G) x Area of current residence (District Council district / New Town) x Whether having moved home within same area of residence

G14. Domestic households not having internally migrated x Household size x Area of current residence (District Council district / New Town) x Whether having moved home within same area of residence

G15. Hong Kong Resident Population x Pattern of internal migration (District Council district) x Educational attainment (highest level attended) (7G) x Quinquennial age group (up to 75+) x Sex

G16. Hong Kong Resident Population x Pattern of internal migration (District Council district) x Educational attainment (highest level completed) (7G) x Quinquennial age group (up to 75+) x Sex

G17. Hong Kong Resident Population x Pattern of internal migration (District Council district) x Economic activity status (8G) x Quinquennial age group (up to 75+) x Sex

G18. Hong Kong Resident Population aged 5 and over x Area of current residence (District Council district) x Educational attainment (highest level attended) (7G) x Area of residence 5 years ago (District Council district) x Broad age group (4G)

G. Internal Migration and Moving Home Characteristics

G19. Hong Kong Resident Population aged 5 and over x Area of current residence (New Town) x Type of quarters (10G) x Area of residence 5 years ago (District Council district / New Town)

G20. Hong Kong Resident Population aged 5 and over x Area of current residence (District Council district / New Town) x Area of residence 5 years ago (District Council district / New Town / Other countries) x Broad age group (7G) x Sex

G21. Hong Kong Resident Population aged 5 and over x Educational attainment (highest level attended) (7G) x Area of current residence (District Council district / New Town) x Pattern of internal migration (Broad area)

G22. Hong Kong Resident Population aged 5 and over x Educational attainment (highest level completed) (7G) x Area of current residence (District Council district / New Town) x Pattern of internal migration (Broad area)

G23. Hong Kong Resident Population aged 5 and over x Area of current residence (District Council district / New Town) x Pattern of internal migration (Broad area) x Quinquennial age group (up to 75+) x Sex

G24. Hong Kong Resident Population not having internally migrated x Whether having moved home within same area of residence x Area of current residence (District Council district / New Town)

G25. Working population x Occupation (Major group) x Area of current residence (District Council district / New Town) x Pattern of internal migration (Broad area)

H. Social Characteristics

Geographical Level: Whole Territory

H01. Domestic households (land) x Duration of residence in HK of head (4G) x Type of quarters (6G) x Place of birth of head (6G) x Monthly domestic household income (12G)

H02. Hong Kong Resident Population x Duration of residence in HK (4G) x Place of birth (6G) x Economic activity status (8G) x Broad age group (4G) x Sex

H03. Hong Kong Resident Population x Duration of residence in HK (4G) x Ethnicity (15G) x Quinquennial age group (up to 65+) x Sex

H04. Hong Kong Resident Population x Duration of residence in HK (11G) x Usual language (31G) x Ethnicity (15G)

H05. Hong Kong Resident Population x Duration of residence in HK (4G) x Place of birth (14G) x Marital status (4G) x Broad age group (4G) x Sex

H06. Hong Kong Resident Population x Duration of residence in HK (4G) x Nationality (13G) x Quinquennial age group (up to 75+) x Sex

H07. Hong Kong Resident Population x Duration of residence in HK (11G) x Usual language (31G) x Nationality (13G)

H08. Hong Kong Resident Population x Duration of residence in HK (4G) x Usual language (31G) x Second language

H09. Hong Kong Resident Population x Ethnicity (15G) x Educational attainment (highest level attended) (7G) x Quinquennial age group (up to 75+)

H10. Hong Kong Resident Population x Nationality (13G) x Educational attainment (highest level attended) (7G) x Place of birth (6G) x Broad age group (4G)

H. Social Characteristics

Geographical Level: Whole Territory

H11. Hong Kong Resident Population x Ethnicity (15G) x Educational attainment (highest level completed) (7G) x Quinquennial age group (up to 75+)

H12. Hong Kong Resident Population x Nationality (13G) x Educational attainment (highest level completed) (7G) x Place of birth (6G) x Broad age group (4G)

H13. Hong Kong Resident Population x Place of birth (23G) x Nationality (13G) x Ethnicity (15G)

H14. Hong Kong Resident Population x School attendance x Ethnicity (15G) x School age group (5G)

H15. Hong Kong Resident Population x Place of birth (34G) x Quinquennial age group (up to 75+) x Sex

H16. Hong Kong Resident Population aged 5 and over x Duration of residence in HK (4G) x Area of residence 5 years ago (Other countries) x Ethnicity (15G)

H17. Hong Kong Resident Population aged 5 and over x Educational attainment (highest level attended) (7G) x Usual language (31G) x Second language

H18. Hong Kong Resident Population aged 5 and over x Educational attainment (highest level completed) (7G) x Usual language (31G) x Second language

H19. Hong Kong Resident Population aged 5 and over x Number of languages spoken x Quinquennial age group (up to 75+) x Sex

H20. Hong Kong Resident Population aged 5 and over x Place of birth (6G) x Usual language (31G) x Second language

H. Social Characteristics

Geographical Level: Whole Territory

H21. Hong Kong Resident Population aged 5 and over x Usual language (31G) x Quinquennial age group (up to 75+) x Sex

H22. Working population x Occupation (Major group) x Duration of residence in HK (11G) x Ethnicity (15G)

H23. Working population x Occupation (Major group) x Duration of residence in HK (11G) x Nationality (13G)

H24. Working population x Occupation (Major group) x Duration of residence in HK (11G) x Place of birth (14G)

H25. Working population x Economic activity status (5G) x Sex x Ethnicity (15G)

H26. Working population x Economic activity status (5G) x Sex x Nationality (13G)

H27. Working population x Industry (Sector) x Ethnicity (15G) x Sex

H28. Working population x Occupation (Major group) x Ethnicity (15G) x Sex

H29. Working population x Industry (Group) x Usual language (7G) x Sex

H30. Working population x Industry (Sector) x Nationality (13G) x Sex

H31. Working population x Industry (Sector) x Place of birth (14G) x Quinquennial age group (up to 65+)

H32. Working population x Occupation (Major group) x Nationality (13G) x Sex

H33. Working population x Number of languages spoken x Occupation (Sub-major group)

H. Social Characteristics

Geographical Level: Whole Territory

H34. Working population x Occupation (Major group) x Place of birth (14G) x Quinquennial age group (up to 65+)

H35. Working population x Occupation (Sub-major group) x Usual language (13G) x Sex

Geographical Level: District Council District

H36. Hong Kong Resident Population x Duration of residence in HK (4G) x Ethnicity (15G)

H37. Hong Kong Resident Population x Duration of residence in HK (4G) x Place of birth (14G)

H38. Hong Kong Resident Population x Usual language (7G) x Ethnicity (15G)

H39. Hong Kong Resident Population x Usual language (7G) x Broad age group (4G) x Sex

Geographical Level: District Council / Constituency Area

H40. Hong Kong Resident Population x Duration of residence in HK (4G)

H41. Hong Kong Resident Population x Ethnicity (3G)

H42. Hong Kong Resident Population x Nationality (6G)

H43. Hong Kong Resident Population x Place of birth (6G)

H44. Hong Kong Resident Population aged 5 and over x Usual language (7G)

H. Social Characteristics

Geographical Level: Large Tertiary Planning Unit Group

H45. Hong Kong Resident Population x Duration of residence in HK (4G)

H46. Hong Kong Resident Population x Ethnicity (3G)

H47. Hong Kong Resident Population x Nationality (6G)

H48. Hong Kong Resident Population x Place of birth (6G)

H49. Hong Kong Resident Population aged 5 and over x Usual language (7G)

Geographical Level: Small Tertiary Planning Unit Group

H50. Hong Kong Resident Population aged 5 and over x Usual language (3G)

I. Population Sub-group Characteristics

(a) Usual Residents

Geographical Level: Whole Territory

Ia01.　Usual Residents x Marital status (4G) x Single age (up to 75+) x Sex

Ia02.　Usual Residents x Duration of residence in HK (4G) x Usual language (13G) x Nationality (13G)

Ia03.　Usual Residents x Educational attainment (highest level attended) (10G) x Field of education of highest level attended (12G) x Quinquennial age group (up to 75+) x Sex

Ia04.　Usual Residents x Nationality (13G) x Place of birth (23G) x Ethnicity (3G)

Ia05.　Usual Residents aged 5 and over x Number of languages spoken x Quinquennial age group (up to 75+) x Sex

Ia06.　Usual Residents x Economic activity status (8G) x Marital status (4G) x Quinquennial age group (up to 75+) x Sex

Ia07.　Working Usual Residents x Industry (Sector) x Quinquennial age group (up to 65+) x Sex

Ia08.　Working Usual Residents x Occupation (Major group) x Monthly income from main employment

Geographical Level: District Council District

* Ia09.　Usual Residents x Single age (up to 75+) x Sex

I.   Population Sub-group Characteristics

(b)   Mobile Residents

Geographical Level: Whole Territory

Ib01.   Mobile Residents x Marital status (4G) x Quinquennial age group (up to 75+) x Sex

Ib02.   Mobile Residents x Educational attainment (highest level attended) (10G) x Quinquennial age group (up to 75+) x Sex

Ib03.   Mobile Residents x Economic activity status (8G) x Quinquennial age group (up to 75+) x Sex

Ib04.   Working Mobile Residents x Industry (Sector) x Quinquennial age group (up to 65+) x Sex

Ib05.   Working Mobile Residents x Occupation (Major group) x Monthly income from main employment

Ib06.   Working Mobile Residents x Occupation (Major group) x Place of work (Broad group) (12G)

Geographical Level: District Council District

* Ib07.   Mobile Residents x Quinquennial age group (up to 75+) x Sex

I. Population Sub-group Characteristics

(c) Elderly population aged 60 and over

Geographical Level: Whole Territory

Ic01. Domestic households with elderly persons (aged 60+) x Number of elderly persons (aged 60+) in household x Household composition (18G) x Household size

Ic02. Domestic households with elderly persons (aged 60+) x Monthly domestic household income (12G) x Household composition (18G)

Ic03. Elderly population (aged 60+) x Economic activity status (10G) x Quinquennial age group (up to 85+) x Sex

Ic04. Elderly population (aged 60+) x Educational attainment (highest level attended) (36G) x Quinquennial age group (up to 85+) x Sex

Ic05. Elderly population (aged 60+) x Educational attainment (highest level completed) (35G) x Quinquennial age group (up to 85+) x Sex

Ic06. Elderly population (aged 60+) x Ethnicity (15G) x Quinquennial age group (up to 85+) x Sex

Ic07. Elderly population (aged 60+) x Household composition (18G) x Quinquennial age group (up to 85+) x Sex

Ic08. Elderly population (aged 60+) x Marital status (4G) x Quinquennial age group (up to 85+) x Sex

Ic09. Working elderly population (aged 60+) x Monthly income from main employment x Occupation (Major group) x Quinquennial age group (up to 85+)

* Ic10. Elderly population (aged 60+) x Type of household x Quinquennial age group (up to 85+) x Sex

I. Population Sub-group Characteristics

(c) Elderly population aged 60 and over

Geographical Level: Whole Territory

Ic11.   Domestic households with elderly persons (aged 60+) (land) x Number of elderly persons (aged 60+) in household x Type of quarters and accommodation (21G) x Household size

Ic12.   Elderly population (aged 60+) (land) x Type of quarters and accommodation (21G) x Quinquennial age group (up to 85+) x Sex

Geographical Level: District Council District

Ic13.   Domestic households with elderly persons (aged 60+) (land) x Number of elderly persons (aged 60+) in household x Type of quarters and accommodation (5G)

* Ic14.   Elderly population (aged 60+) x Quinquennial age group (up to 85+) x Sex

Ic15.   Working elderly population (aged 60+) x Occupation (Major group) x Sex

Ic16.   Working elderly population (aged 60+) x Quinquennial age group (up to 85+) x Place of work (Broad group) (5G)

I. Population Sub-group Characteristics

(d) Elderly persons aged 65 and over

Geographical Level: Whole Territory

Id01. Domestic households with elderly persons (aged 65+) x Number of elderly persons (aged 65+) in household x Household composition (18G) x Household size

Id02. Domestic households with elderly persons (aged 65+) x Monthly domestic household income (12G) x Household composition (18G)

Id03. Elderly population (aged 65+) x Economic activity status (10G) x Quinquennial age group (up to 85+) x Sex

Id04. Elderly population (aged 65+) x Educational attainment (highest level attended) (36G) x Quinquennial age group (up to 85+) x Sex

Id05. Elderly population (aged 65+) x Educational attainment (highest level completed) (35G) x Quinquennial age group (up to 85+) x Sex

Id06. Elderly population (aged 65+) x Ethnicity (15G) x Quinquennial age group (up to 85+) x Sex

Id07. Elderly population (aged 65+) x Household composition (18G) x Quinquennial age group (up to 85+) x Sex

Id08. Elderly population (aged 65+) x Marital status (4G) x Quinquennial age group (up to 85+) x Sex

Id09. Working elderly population (aged 65+) x Monthly income from main employment x Occupation (Major group) x Quinquennial age group (up to 85+)

* Id10. Elderly population (aged 65+) x Type of household x Quinquennial age group (up to 85+) x Sex

I.   Population Sub-group Characteristics

(d)   Elderly persons aged 65 and over

Geographical Level: Whole Territory

Id11.   Domestic households with elderly persons (aged 65+) (land) x Number of elderly persons (aged 65+) in household x Type of quarters and accommodation (21G) x Household size

Id12.   Elderly population (aged 65+) (land) x Type of quarters and accommodation (21G) x Quinquennial age group (up to 85+) x Sex

Geographical Level: District Council District

Id13.   Domestic households with elderly persons (aged 65+) (land) x Number of elderly persons (aged 65+) in household x Type of quarters and accommodation (5G)

* Id14.   Elderly population (aged 65+) x Quinquennial age group (up to 85+) x Sex

Id15.   Working elderly population (aged 65+) x Occupation (Major group) x Sex

Id16.   Working elderly population (aged 65+) x Quinquennial age group (up to 85+) x Place of work (Broad group) (5G)

J.   Marine Vessels

Geographical Level: Marine

* J01.   Vessels x Type of vessels

* J02.   Domestic households (marine) x Type of vessels

* J03.   Vessels x No. of occupants in vessels x Type of vessels
