A. List of statistics in the IDDS

By type

Type	Statistics	Definition
Population	Employees	Persons who work for an employer (private companies or government) for wage, salary, commission, tips or payment in kind. Outworkers, paid family workers and domestic helpers are also included.
	Employees (Excluding Foreign Domestic Helpers)	Persons who work for an employer (private companies or government) for wage, salary, commission, tips or payment in kind. Outworkers and paid family workers are also included but foreign domestic helpers are excluded..
	Ethnic Minorities (New)	Persons who report themselves being of non-Chinese ethnicity, including those with more than one ethnicity. In the Population Census/By census, the ethnicity of a person is determined by self-identification.
	Head of Domestic Households	The person acknowledged by members of the household to be responsible for making major decisions affecting the household. This person can be any male or female member of the household. In the 2006 Population By-census and the 2011 Population Census, household might report more than one household head.
	Labour Force	The population can be divided into two main groups, economically active population (i.e. the labour force) and economically inactive population. Labour force comprises the employed (that is the working population) and the unemployed.
	Mobile Residents	Hong Kong Permanent Residents who had stayed in Hong Kong for at least one month but less than three months during the six months before or for at least one month but less than three months during the six months after the census reference moment, regardless of whether they were in Hong Kong or not at the census reference moment.

Type	Statistics	Definition
	Older Persons (New)	Persons aged 65 and over.
	Older Persons in Domestic Households (New)	Persons aged 65 and over in domestic households.
	Persons from the Mainland Having Resided in Hong Kong for Less Than 7 Years (New)	Persons who (i) were born in the Mainland of China; (ii) were with nationality “Chinese (place of domicile – Hong Kong)”; and (iii) had stayed in Hong Kong for less than 7 years.
	Persons Studying Full Time in Hong Kong	Persons studying full-time (that is excluding evening / part-time day release courses) at a kindergarten, a primary or secondary school, a post-secondary college, the Hong Kong Institute of Vocational Education, the Hong Kong Institute of Education, school of nursing, or at a university. Full-time students include student workers.
	Population	Population refer to the Hong Kong Resident Population. The Hong Kong Resident Population at the census reference moment covers “ Usual Residents ” and “ Mobile Residents ”. “ Usual Residents ” refer to two categories of people: (1) Hong Kong Permanent Residents who had stayed in Hong Kong for at least three months during the six months before or for at least three months during the six months after the census reference moment, regardless of whether they were in Hong Kong or not at the census reference moment; and (2) Hong Kong Non-permanent Residents who were in Hong Kong at the census reference moment. As for “ Mobile Residents ”, they are Hong Kong Permanent Residents who had stayed in Hong Kong for at least one month but less than three months during the six months before or for at least one month but less than three months during the six months after the census reference moment, regardless of whether they were in Hong Kong or not at the census reference

Type	Statistics	Definition
		moment.
	Population (Excluding Foreign Domestic Helpers)	Population refer to the Hong Kong Resident Population. The Hong Kong Resident Population at the census reference moment covers “ Usual Residents ” and “ Mobile Residents ”. “ Usual Residents ” refer to two categories of people: (1) Hong Kong Permanent Residents who had stayed in Hong Kong for at least three months during the six months before or for at least three months during the six months after the census reference moment, regardless of whether they were in Hong Kong or not at the census reference moment; and (2) Hong Kong Non-permanent Residents who were in Hong Kong at the census reference moment. As for “ Mobile Residents ”, they are Hong Kong Permanent Residents who had stayed in Hong Kong for at least one month but less than three months during the six months before or for at least one month but less than three months during the six months after the census reference moment, regardless of whether they were in Hong Kong or not at the census reference moment. Foreign domestic helpers are excluded.
	Population Aged 15 and Over in One-person Households (New)	A person aged 15 and over in a one-person household makes provision for essentials for living without sharing with other persons for most of the time in Hong Kong.
	Population Having Internally Migrated	Persons whose area of current residence was different from the area of original residence five years ago. In defining internal migration, a change in the area of residence refers to a move (a) from a District Council District to another District Council District; or (b) within a District Council District in the New Territories, from a new town to another new town, or from a new town to other areas in the district or vice versa.

Type	Statistics	Definition
	Population in Domestic Households	Persons living in a domestic household .
	Single Parents (New)	Mothers or fathers who are never married, widowed, divorced or separated, with child(ren) aged under 18 living with them in the same household.
	Usual Residents	Usual Residents refer to two categories of people: (1) Hong Kong Permanent Residents who had stayed in Hong Kong for at least three months during the six months before or for at least three months during the six months after the census reference moment, regardless of whether they were in Hong Kong or not at the census reference moment; and (2) Hong Kong Non-permanent Residents who were in Hong Kong at the census reference moment.
	Working Ethnic Minorities (New)	Ethnic minorities aged 15 and over who should (a) be engaged in performing work for pay or profit during the 7 days before the Census; or (b) have formal job attachment during the 7 days before the Census.
	Working Persons from the Mainland Having Resided in Hong Kong for Less Than 7 Years (New)	Persons from the Mainland having resided in Hong Kong for less than 7 years and aged 15 and over who should (a) be engaged in performing work for pay or profit during the 7 days before the Census; or (b) have formal job attachment during the 7 days before the Census.
	Working Population	Persons aged 15 and over who should (a) be engaged in performing work for pay or profit during the seven days before the Census; or (b) have formal job attachment during the seven days before the Census.
	Working Population (Excluding Foreign Domestic Helpers)	Persons aged 15 and over who should (a) be engaged in performing work for pay or profit during the seven days before the Census; or (b) have formal job attachment during the seven days before the Census. Foreign domestic helpers are excluded.

Type	Statistics	Definition
	Working Single Parents (New)	Mothers or fathers who are never married, widowed, divorced or separated, with child(ren) aged under 18 living with them in the same household and should (a) be engaged in performing work for pay or profit during the 7 days before the Census; or (b) have formal job attachment during the 7 days before the Census.
	Youths (Excluding Foreign Domestic Helpers) (New)	Persons aged 15-24, excluding foreign domestic helpers.
	Youths in Domestic Households (Excluding Foreign Domestic Helpers) (New)	Persons aged 15-24 in domestic households, excluding foreign domestic helpers.
Domestic Household	Domestic Households	Domestic households consist of a group of persons who live together and make common provision for essentials for living. These persons need not be related. If a person makes provision for essentials for living without sharing with other persons, he is also regarded as a household. In this case the household is a one-person household. (Note: A domestic household must have at least one member who is a Usual Resident . In the 2006 Population By-census and the 2011 Population Census, households comprising Mobile Residents only are not classified as a domestic household.)
	Domestic Households with Children (Aged Under 15)	Domestic households with at least one of the members being aged under 15.

Type	Statistics	Definition
	<u>Domestic Households with Older Persons</u> (New)	Domestic households with at least one of the members classified as a older person (aged 65 and over).
	<u>Domestic Households with Persons from the Mainland Having Resided in Hong Kong for Less Than 7 Years</u> (New)	Domestic households with at least one of the members classified as a person from the Mainland having resided in Hong Kong for less than 7 years.
	<u>Domestic Households with Single Household Head Having Internally Migrated</u>	Domestic households with single household head who had internally migrated. In defining internal migration, a change in the area of residence refers to a move (a) from a District Council District to another District Council District; or (b) within a District Council District in the New Territories, from a new town to another new town, or from a new town to other areas in the district or vice versa.
	<u>Economically Active Households</u>	Domestic households with at least one member (excluding foreign domestic helpers) being economically active.
	<u>Elderly Households (Aged 65 and Over)</u>	Domestic households consist of all persons aged 65 or above (excluding foreign domestic helpers).
	<u>Owner-occupiers</u>	Domestic households owning the quarters they occupy (with or without mortgage or loan).
	<u>Owner-occupiers with Mortgage Payment and Loan Repayment</u>	Domestic households owning the quarters they occupy with mortgage or loan.
	<u>Rental Households</u>	Domestic households renting the accommodation they occupy, including sole tenants, co-tenants, main tenants and sub-tenants.
<u>Miscellaneous</u>	<u>Average Size of Domestic Households</u>	The average number of persons per domestic household. It is calculated by dividing the total number of persons who were living in domestic households by the total number of domestic

Type	Statistics	Definition
		households.
	Labour Force Participation Rate	The proportion of labour force in the total population aged 15 and over.
	Labour Force Participation Rates of Ethnic Minorities (New)	The proportion of labour force in the total population aged 15 and over for ethnic minorities.
	Labour Force Participation Rates of Older Persons (New)	The proportion of labour force in the total population aged 15 and over for older persons.
	Labour Force Participation Rates of Persons from the Mainland Having Resided in Hong Kong for Less Than 7 Years (New)	The proportion of labour force in the total population aged 15 and over for persons from the Mainland having resided in Hong Kong for less than 7 years.
	Labour Force Participation Rates of Single Parents (New)	The proportion of labour force in the total population aged 15 and over for single parents.
	Median Monthly Domestic Household Income	The average monthly domestic household income so calculated that 50% of the total number of domestic households had incomes above that figure and the other 50% had incomes below it. Zero income households are included in the calculation.
	Median Monthly Domestic Household Mortgage Payment and Loan Repayment	The average monthly mortgage payment and loan repayment so calculated that 50% of the total number of domestic households owning the quarters they occupy with mortgage or loan paid more than that amount and the other 50% paid less than that. Households with zero mortgage payment and loan repayment by household members (i.e. with mortgage payment and loan repayment by non-household members only) are excluded in the

Type	Statistics	Definition
		calculation.
	<u>Median monthly household rent</u>	The average <u>monthly rent</u> so calculated that 50% of the total number of domestic households renting the accommodation they occupy paid more than that amount and the other 50% paid less than that. Households with zero rent are excluded in the calculation.
	<u>Median Monthly Income from Main Employment</u>	The average <u>income from main employment</u> so calculated that 50% of the working population, excluding unpaid family worker, had income above that figure and the other 50% had income below it.
	<u>Median Mortgage Payment and Loan Repayment to Income Ratio</u>	The average percentage of <u>monthly domestic household income paid on monthly mortgage payment and loan repayment</u> so calculated that 50% of domestic households owning the quarters they occupy with mortgage or loan paid more than that percentage and the other 50% paid less than that. Households with zero income and / or zero mortgage payment and loan repayment by household members (i.e. with mortgage payment and loan repayment by non-household members only) are excluded in the calculation.
	<u>Median Rent to Income Ratio</u>	The average percentage of monthly domestic household income paid on monthly household rent so calculated that 50% of domestic households renting the accommodation they occupy paid more than that percentage and the other 50% paid less than that. Households with zero income and / or zero rent are excluded in the calculation.
	<u>Occupied Quarters</u>	Quarters refer to such unit of accommodation as flats, houses and structures which could be used for the purpose of accommodation. Occupied Quarters refer to those quarters which were occupied by those people under the Hong Kong Resident Population at the census reference moment.

B. List of classifications in the IDDS

By characteristics

Characteristics	Classification	Definition	Classification grouping
Demographic	Age	The number of complete years a person has passed since birth. It is derived from month and year of birth.	Please refer to the Annex in Section C
	Duration of Residence in Hong Kong	The total number of complete years for which a person has lived in Hong Kong. Any period of temporary absence from Hong Kong for six months or more was not counted in reckoning the duration.	Please refer to the Annex in Section C
	Ethnicity	The ethnicity of a person is determined by self-identification. The classification of ethnicity is determined with reference to a combination of concepts such as cultural origins, nationality, colour and language. This practice is in line with the recommendations promulgated by the United Nations in 2008, and has taken into account the practices of other countries as well as local circumstances. In Hong Kong, a significant proportion of the population is Chinese, and among the non-Chinese, Asians account for the majority. Therefore, there are more Asian related ethnic groups in the classification.	Please refer to the Annex in Section C
	Marital Status	The marital status of a person is recorded according to the status reported by respondents in the Census / By-census. There is no check on whether the marriage or divorce had undergone any legal registration or ceremony.	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
	Nationality	Nationality may be related to a person's place of residence, ethnicity or place of birth. It may not necessarily be related to a person's travel document.	Please refer to the Annex in Section C
	Number of Language Spoken	The total number of language / dialects a person aged 5 and over (excluding mute persons) able to speak including his / her usual language and the other language / dialects recorded in the Census/By-census.	5 groups <ul style="list-style-type: none"> • 1 • 2 • 3 • 4 • 5 and over
	Place of Birth	The country / territory in which the person was born.	Please refer to the Annex in Section C
	Sex	The sex of a person is recorded as being either female or male in the Census/By-census.	2 groups <ul style="list-style-type: none"> • Male • Female
	Usual Language	The language / dialect a person used in daily communication at home. This is not applicable to persons aged under 5 or mute persons.	Please refer to the Annex in Section C
	Whether Able to Speak Cantonese	A person aged 5 and over (excluding mute persons) will be classified as able to speak Cantonese if his/her usual language is Cantonese or Cantonese is one of his/her three most fluent languages/dialects other than usual language . Otherwise, he/she will be classified as not able to speak Cantonese.	3 groups <ul style="list-style-type: none"> • Able to speak • Not able to speak • Persons aged under 5 or mute persons
	Whether Able to Speak English	A person aged 5 and over (excluding mute persons) will be classified as able to speak English if his/her usual language is English or English is one of his/her three most fluent languages/dialects other than usual language . Otherwise, he/she will be classified as not able to speak English.	3 groups <ul style="list-style-type: none"> • Able to speak • Not able to speak • Persons aged under 5 or mute persons

Characteristics	Classification	Definition	Classification grouping
	Whether Able to Speak Putonghua	A person aged 5 and over (excluding mute persons) will be classified as able to speak Putonghua if his/her usual language is Putonghua or Putonghua is one of his/her three most fluent languages/dialects other than usual language . Otherwise, he/she will be classified as not able to speak Putonghua.	3 groups <ul style="list-style-type: none"> • Able to speak • Not able to speak • Persons aged under 5 or mute persons
Educational	Educational Attainment (Highest Level Attended)	The highest level of education ever attained by a person in educational institution, regardless of whether he / she had completed the course. Only formal courses are counted as educational attainment. A formal course shall be one that lasts for at least one academic year, requires specific academic qualifications for entrance (except sub-degree / degree / post-graduate courses offered by the Open University of Hong Kong) and includes examinations or specific academic assessment procedures.	Please refer to the Annex in Section C
	Educational Attainment (Highest Level Completed)	The highest level of education completed by a person in educational institution, regardless of whether he / she had passed the examinations or assessments of the course. Only formal courses are counted for the highest level of education completed. A formal course shall be one that lasts for at least one academic year, requires specific academic qualifications for entrance (except sub-degree / degree / post-graduate courses offered by the Open University of Hong Kong) and includes examinations or specific academic assessment procedures.	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
	Field of Education (Highest Level Attended)	The subject of the courses to which a person's education attainment (highest level attended) was related.	Please refer to the Annex in Section C
	Field of Education (Highest Level Completed)	The subject of the courses to which a person's education attainment (highest level completed) was related.	Please refer to the Annex in Section C
	Main Mode of Transport to Place of Study	The type(s) of transport a full-time student studying in Hong Kong usually used to travel to his/her place of study . (For a person who uses more than one type of transport to go to his / her place of study, the main mode of transport refers to the one used for travelling the longest distance.) “On-foot only” is recorded if the person usually walks to his / her place of study and does not use any other mode of transport.	Please refer to the Annex in Section C
	Number of Modes of Transport to Place of Study	The number of modes of transport a full time student studying in Hong Kong usually used to travel to his / her place of study .	3 groups <ul style="list-style-type: none"> • 1 • 2 • 3 and over
	Place of Study	The geographical area in Hong Kong where the educational institution is located and where the person concerned has to go to attend full-time course.	Please refer to the Annex in Section C
	School Attendance	The percentage of population attending full-time course in educational institutions.	Please refer to the Annex in Section C
Economic	Economic Activity Status	The population can be divided into two main groups, (A) economically active population (i.e. the labour force) and (B) economically inactive population. (A) Economically active population: This comprises the	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		<p>employed (that is the working population) and the unemployed. (I) The working population refers to persons aged 15 and over who should be engaged in performing work for pay or profit during the seven days before the Census or have formal job attachment during the seven days before the Census. The working population can be distinguished by the Employment Status as follows: (i) Employee: A person who works for an employer (private companies or government) for wage, salary, commission, tips or payment in kind. Domestic helpers, outworkers and paid family workers are also included here. (ii) Employer: A person who works for profit or fees in his / her own business / profession and employs one or more persons to work for him / her. (iii) Self-employed: A person who works for profit or fees in his / her own business / profession, neither employed by someone nor employing others. (iv) Unpaid family worker: A person who works for no pay in a family business is also considered as employed. Food and lodging and pocket money are not counted as pay. (II) Unemployed population: Refer basically to persons aged 15 and over who should not have had a job and should not have performed any work for pay or profit during the seven days before the Census ; have been available for work during the seven days before the Census and have</p>	

Characteristics	Classification	Definition	Classification grouping
		<p>sought work during the thirty days before the Census. (B) Economically inactive population: This comprises persons who have not had a job and have not been at work during the seven days before the Census, excluding persons who have been on leave / holiday during the seven-day period and persons who are unemployed. Persons such as home-makers, retired persons and all those aged below 15 are thus included. (I) Home-maker: A person who looks after the home without pay. (II) Student: A person who is studying full-time in educational institution. Persons who are self-studying, or studying informal courses in miscellaneous training institutes or studying evening courses and were not working during the seven days before the Census are also included in this category. Student workers are classified as economically active persons and are not included in this group. (III) Retired person: A person who has worked previously but is not currently working because of old age. (IV) Of independent means: A person who does not have to work for a living. The cost of living is generally borne by rental receivable, savings, investment returns or remittances. (V) Other economically inactive person: Economically inactive person not elsewhere classified, e.g. unpaid religious worker and person who cannot work or do not seek work</p>	

Characteristics	Classification	Definition	Classification grouping
		because of permanent sickness or disablement.	
	Industry	<p>The main kind of goods or services produced by the establishment in which a person worked during the seven days before the census reference moment. The classification scheme is basically modeled on the 'Hong Kong Standard Industrial Classification Version 2.0' (equivalent to the United Nations' International Standard Classification of All Economic Activities, Rev. 4). The brief descriptions and coverage of the industrial sectors are given as follows :</p> <p>(I) Manufacturing: This industry sector includes the physical or chemical transformation of materials, substances, or components into new products. Substantial alteration, renovation and reconstruction of goods are generally considered to be manufacturing. Also included in the industry sector is specialised repair and maintenance of industrial and commercial machinery and equipment. Examples of this industry sector are food product manufacturing; wearing apparel industry; printing industry; manufacturing of electronic products; and repair and installation of machinery and equipment.</p> <p>(II) Construction: This industry sector includes general construction and specialised construction activities for buildings and civil engineering works. It includes new work, repair, additions and alterations, the erection of</p>	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		<p>prefabricated building structure on the site and also construction of a temporary nature. Examples of this industry sector are building construction; civil engineering; building services installation and maintenance activities; and decoration, repair and maintenance for buildings.</p> <p>(III) Import / export, wholesale and retail trades: This industry sector includes wholesale and retail sale (i.e. sale without transformation) of any type of goods, and rendering services incidental to the sale of merchandise. Wholesaling and retailing are the final steps in the distribution of merchandise. Examples of this industry sector are import and export trade; wholesale and retail trade; and peddlers.</p> <p>(IV) Transportation, storage, postal and courier services: This industry sector includes the provision of passenger or freight transport, whether scheduled or not, by rail, road, water or air and associated activities such as airport, terminal and car park, loading and unloading of freight, storage, and postal and courier activities etc. Also included are sightseeing transport and renting of transport equipment with or without driver or operator. Examples of this industry sector are land transport; water transport; air transport; warehousing and support activities for transportation; and postal and courier activities.</p> <p>(V) Accommodation and food</p>	

Characteristics	Classification	Definition	Classification grouping
		<p>services: This industry sector includes the provision of short-stay accommodation for visitors and other travellers and the provision of complete meals and drinks fit for immediate consumption. Examples of this industry sector are hotels; guesthouses and boarding houses; restaurants; bars and lounges; and coffee shops.</p> <p>(VI) Information and communications: This industry sector includes the production and distribution of information and cultural products, the provision of the means to transmit or distribute these products as well as data. Also included are broadcasting, communications and information technology activities, as well as the processing of data and other information service activities. Examples of this industry sector are publishing industry; radio and television broadcasting; telecommunications; information technology services; and news agencies.</p> <p>(VII) Financing and insurance: This industry sector includes financial service activities, including insurance and pension funding activities, and activities to support financial services. Also included are the activities of holding assets, such as activities of holding companies and the activities of trusts, funds and similar financial entities. Examples of this industry sector are banks; investment and</p>

Examples of this industry sector are government services; educational institutions and other establishments engaged in educational and training services; medical and health services; elderly homes; and welfare institutions.</p> <p>(X) Miscellaneous social and personal services: This industry sector includes creative and performing arts activities; cultural activities; betting activities; sports, amusement and recreation activities; and all other services activities including personal services activities. This industry sector also includes activities of households as employers of domestic personnel. Examples of this industry sector are libraries and museums; theme parks; fitness centres; religious organisations; political organisations; repair of personal and household goods (such as motor vehicles and computers); laundry and dry-cleaning services; beauty and body prettifying treatment; and domestic helpers.</p> <p>(XI) Others: Including such industries as 'Agriculture, forestry and fishing' ; 'Mining and quarrying' ; 'Electricity and gas supply' ; 'Water supply; sewerage, waste management and remediation activities' and industrial activities inadequately described or unclassifiable.</p>	

Characteristics	Classification	Definition	Classification grouping
	Main Mode of Transport to Place of Work	The type(s) of transport a person with a fixed place of work in Hong Kong usually used to travel to his / her place of work . (For a person who uses more than one type of transport to go to work, the main mode of transport refers to the one used for travelling the longest distance.) “On-foot only” is recorded if the person usually walks to work and does not use any other mode of transport.	Please refer to the Annex in Section C
	Monthly Income from Main Employment	For employers or self-employed persons, this is the amount earned excluding expenses incurred in running their main business. For employees, this is the total amount earned from their main employment including salary or wage, bonus, commission, overtime, housing allowance, tips and other cash allowances. New Year bonus and double pay are excluded. The amount recorded refers to the income for the month of the census reference moment.	Please refer to the Annex in Section C
	Number of Modes of Transport to Place of Work	The number of modes of transport a person with a fixed place of work in Hong Kong usually used to travel to his / her place of work .	Please refer to the Annex in Section C
	Place of Work	The district where the work place of a person is located and where the person concerned usually stayed or went during the seven days before the Census for business matters. For a person who has more than one job during the reference period, the place of work refers to that of his main employment. For a person who	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		changes his work place day to day (e.g. construction site worker) or has many work places (e.g. doctor working in both hospital and clinic, mobile hawker), the work place is where the person worked for the longest hours in the reference period. For a person who has no fixed place of work (e.g. salesman, driver) but needed to report duty every day, the location of the office or depot is the work place. For a cross-border truck driver who drives between Hong Kong and the Mainland and spends most of the working hours in the Mainland, then the Mainland is the place of work.	
	Occupation	<p>The kind of work a person performed during the seven days before the census reference moment.</p> <p>(I) Managers and administrators: Including administrators, commissioners and directors in government service; consuls; councillors; directors, chief executive officers, presidents, general managers, functional managers, branch managers and small business managers in industry, commerce, import and export trade, wholesale and retail trade, catering and lodging services, transport, electricity, gas, water and other services and agricultural and fishery sectors.</p> <p>(II) Professionals: Including qualified professional scientists, doctors, dentists and other medical professionals; architects, surveyors</p>	Please refer to the Annex in Section C

	Whether Having Secondary Employment	Whether a person in the working population had work performed in addition to his/her main employment during the thirty days before enumeration.	2 groups <ul style="list-style-type: none"> • Yes • No
Housing	Monthly Mortgage Payment and Loan Repayment	This is the amount paid by a domestic household owning the quarters it occupies with mortgage or loan on mortgage payment and loan repayment on its accommodation in the month of the census reference moment. It includes payments for first mortgage, second mortgage, home equity loan or some other special payment schemes in order to redeem the quarters occupied but excludes payments for rates, government rent, water, electricity, gas, telephone and management fees. Mortgage payment and loan repayment paid by	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		non-household members are also excluded.	
	Monthly Rent	The amount paid by a domestic household renting the accommodation it occupies on its accommodation in the month of the census reference moment. It includes rates, government rent and management fee for that month but excludes payments for water and electricity. For a main tenant, rent is the net amount he paid after deducting the rent he received from his sub-tenant(s) for subletting part of the quarters. Zero rent households include households living in accommodation of friends or relatives without paying any rent with or without permission, main tenant households with total rental receipts from sub-tenant(s) greater than or equal to rent paid, and those households whose quarters were provided free by employers.	Please refer to the Annex in Section C
	Number of Occupants in the Quarters	The number of persons residing in each unit of quarters.	Please refer to the Annex in Section C
	Number of Rooms in the Residence	A room is a space in the quarters enclosed by walls reaching from the floor to the ceiling or roof covering, or at least to a height of 2 metres, of a size large enough to hold a bed for an adult, that is at least 4 square metres. The total number of rooms includes bedrooms, dining rooms, living rooms, store rooms, study rooms utility rooms, servants' rooms and other separate spaces used or intended for domestic purposes, so long as they	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		meet the criteria of walls and floor space. Rooms partially divided because of fixed or movable partitions or because of their use (e.g. Living-and-Dining rooms without fixed partitions) are counted as separate rooms. Kitchens and bathrooms/toilet rooms are counted separately and excluded here. Passageways, verandahs and lobbies, are not counted, even if they meet the criteria.	
	Outstanding Period of Mortgage Payment or Loan Repayment	This is the number of outstanding years of the mortgage or loan period on the quarters occupied by a domestic household it owns with mortgage or loan. If more than one mortgage or loan term is involved, only the one involving the longest outstanding mortgage or loan period is required.	Please refer to the Annex in Section C
	Tenure of Accommodation	The terms and conditions under which accommodation is held by a domestic household. The different terms are defined as follows: (I) Owner-occupier, with mortgage payment or loan repayment: A household which owns the quarters it occupies with mortgage payment or loan repayment for the quarters. (II) Owner-occupier, without mortgage payment and loan repayment: A household which owns the quarters it occupies without any mortgage payment or loan repayment for the quarters. (III) Sole tenant: A household which rents the whole quarters it occupies from someone who lives outside the	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		<p>quarters without sharing it with other household(s) or subletting.</p> <p>(IV) Co-tenant: Two or more households each of which rents part of the quarters from someone who lives outside the quarters.</p> <p>(V) Main tenant: A household which rents the whole quarters it occupies from someone who lives outside the quarters and sublets part of it to other household(s).</p> <p>(VI) Sub-tenant: A household which rents part of the quarters from someone who lives in the same quarters.</p> <p>(VII) Rent free: A household which occupies an accommodation free, with or without the owner's permission. This excludes households occupying accommodation provided by employers.</p> <p>(VIII) Provided by employer: A household which occupies an accommodation provided by the employer of one of the household members. This also includes households occupying quarters leased from employers at a nominal rent. If a household member uses housing allowance given by his employer for renting accommodation, the tenure is not considered as provided by employer.</p>	
	Type of Housing /Quarters	(A) Type of housing refers to the nature of housing for the unit of accommodation. The different types are determined based on the type of quarters of the unit of accommodation	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		<p>as follows:</p> <p>(I) Public Rental Housing: Including all public rental housing units.</p> <p>(II) Subsidized Home Ownership Housing: Including all subsidized sale flats.</p> <p>(III) Private Permanent Housing: Including all private residential flats; all villas / bungalows / modern village houses; all simple stone houses / traditional village houses; and all units of staff quarters.</p> <p>(IV) Non-domestic Housing: Including all units of quarters in non-residential buildings and all units of collective living quarters.</p> <p>(V) Temporary Housing: Including all units of temporary quarters.</p> <p>(B) Quarters are classified according to the type of building in which they are located. The buildings are classified by the type of construction materials; the purpose for which they are built; and the sector responsible for their construction.</p> <p>(I) Permanent Quarters: This comprises public rental housing units; subsidized sales flats; private residential flats; other quarters in private permanent housing; and non-domestic quarters. Details are as follows:</p> <p>(i) Public rental housing units: Including all public rental housing flats and interim housing flats managed by the Hong Kong Housing Authority as well as all rental flats managed by the Hong Kong Housing</p>	

Characteristics	Classification	Definition	Classification grouping
		<p>Society.</p> <p>(ii) Subsidized sale flats: Including flats sold under various home ownership schemes of the Hong Kong Housing Authority and the Hong Kong Housing Society that are still subject to alienation restrictions. Flats that are free of alienation restrictions are excluded.</p> <p>(iii) Private residential flats: Including all flats and apartments in multi-storey blocks or houses built by the private sector mainly for residential purpose and all former subsidized sale flats (i.e. those free of alienation restrictions).</p> <p>(iv) Other quarters in private permanent housing: Including the following three categories:</p> <p>Villas / Bungalows / Modern village houses: These are individual houses of one-storey or multi-storeys built with full facilities including bathroom, flush toilet and internal piped water supply.</p> <p>Simple stone structures / Traditional village houses: Simple stone structures are houses built of stones and / or other permanent materials usually of one storey high. Traditional village houses are also grouped under this category.</p> <p>Staff quarters: These are units of quarters in purposely-built staff quarters buildings. Units of quarters not purposely built but provided by employer for accommodation purposes</p>	

Characteristics	Classification	Definition	Classification grouping
		<p>are excluded and they are classified in accordance with their respective types of buildings.</p> <p>(v) Non-domestic quarters: Including the following two categories: Quarters in non-residential buildings: These include all units of accommodation in non-residential buildings (such as commercial buildings and industrial buildings). Collective living quarters: These include all units of accommodation (such as rooms and beds) in psychiatric hospitals, convalescent hospitals, infirmaries, penal institutions, elderly homes, boys' and girls' homes, religious houses, hotels, hostels and dormitories (such as those for university students).</p> <p>(II) Temporary Quarters: These include quarters in temporary housing areas as well as private temporary structures such as roof-top structures, contractor's matsheds, nissen huts, huts and places not intended for residential purpose (such as landings, staircases, corridors, etc.). Vessels are also grouped under this category.</p>	
Household	Age of Household Head	The age of household head in a domestic household. Figures on domestic households with more than one household head are separately presented and no classification on age of household head for the domestic households concerned is made. In the 2006 Population By-census and the 2011 Population Census, household	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		might report more than one household head.	
	Economic Activity Status of Household Head	The economic activity status of household head in a domestic household. Figures on domestic households with more than one household head are separately presented and no classification on age of household head for the domestic households concerned is made. In the 2006 Population By-census and the 2011 Population Census, household might report more than one household head.	Please refer to the Annex in Section C
	Ethnicity of Household Head	The ethnicity of household head in a domestic household. Figures on domestic households with more than one household head are separately presented and no classification on age of household head for the domestic households concerned is made. In the 2006 Population By-census and the 2011 Population Census, household might report more than one household head.	Please refer to the Annex in Section C
	Household Composition	Household composition is derived from the information on relationship to the head of household of each person and the identification of spouse and parent-child relationships among members of the household. (I) Nuclear family households: (i) Composed of couple: A household comprising a married couple without any other related persons. It may or may not include other unrelated persons (e.g. domestic helpers).	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		<p>(ii) Composed of couple and unmarried children: A household comprising a couple and their unmarried child(ren) without any other related persons. It may or may not include other unrelated persons (e.g. domestic helpers).</p> <p>(iii) Composed of lone parent and unmarried children: A household comprising a father or mother and his/her unmarried child(ren) without any other related persons. It may or may not include other unrelated persons e.g. domestic helpers).</p> <p>(II) Relative households:</p> <p>(i) Composed of couple and at least one of their parents: A household comprising a couple and at least one of their parents (including the parent(s) of the wife and/or husband) without any other related persons. It may or may not include other unrelated persons (e.g. domestic helpers).</p> <p>(ii) Composed of couple, at least one of their parents and their unmarried children: A household comprising a couple, at least one of their parents (including the parent(s) of the wife and/or husband) and their unmarried children without any other related persons. It may or may not include other unrelated persons (e.g. domestic helpers).</p> <p>(iii) Composed of other relationship combinations: A household comprising a group of related persons but not being classified in the above categories. It may or may not include</p>	

Characteristics	Classification	Definition	Classification grouping
		other unrelated persons (e.g. domestic helpers). (III) Other households: (i) One-person households: A household with only one person. (ii) Non-relative households: A household comprising unrelated person(s).	
	Household Size	The number of persons living in the <u>domestic household</u> .	Please refer to the Annex in Section C
	Monthly Income	The total income (including earnings in cash from all employments and other cash incomes) for the month of the census reference moment of members of households.	Please refer to the Annex in Section C
	Number of Children Aged Under 15	The number of members aged under 15 in a domestic household.	4 groups <ul style="list-style-type: none"> • 0 • 1 • 2 • 3 and over
	Number of Household Heads	The number of household heads acknowledged as such by members in a domestic household. In the 2006 Population By-census and the 2011 Population Census, household might report more than one household head.	<ul style="list-style-type: none"> • Household with single household head • Household with multiple household heads
	Number of Older Persons Aged 65 and Over	The number of members aged 65 and over in a domestic household.	4 groups <ul style="list-style-type: none"> • 0 • 1 • 2 • 3 and over
	Sex of Household Head	The sex of household head in a domestic household. Figures on domestic households with more than one household head are separately presented and no classification on sex of household head for the domestic households concerned is made. In	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		the 2006 Population By-census and the 2011 Population Census, household might report more than one household head.	
	Whether an Economically Active Household	The domestic household with at least one member (Excluding foreign domestic helpers) being economically active.	2 groups <ul style="list-style-type: none"> • Economically active household • Economically inactive household
Geographical	District Council Constituency Area	The boundary of Constituency Area for each District Council is recommended by the Electoral Affairs Commission to the Chief Executive. The set of Constituency Area boundaries adopted in the 2001 Population Census are based on those declared for the 1999 District Council Election. Those for the 2006 Population By-census are based on those declared for the District Council Election held on 23 November 2003. Those for the 2011 Population Census are based on those declared for the District Council Election held on 6 November 2011.	Please refer to the Annex in Section C
	District Council District	There are 18 Districts in Hong Kong as declared under the District Councils Ordinance (Cap. 547): 4 on Hong Kong Island, 5 in Kowloon and 9 in the New Territories. A District Council is established in each District.	Please refer to the Annex in Section C
	Large Street Block Group	Area of current residence of a person. The Tertiary Planning Unit / Street Block system is devised and used by the Planning Department for town planning purpose. Adjacent Tertiary	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
		Planning Units or Street Blocks with a small population are grouped for data dissemination. As population in small areas is changing rapidly, the boundaries of Tertiary Planning Units or Street Blocks adopted in the 2001 Population Census, the 2006 Population By-census and the 2011 Population Census are not exactly the same.	
	<u>Large Tertiary Planning Unit Group</u>	Area of current residence of a person. The Tertiary Planning Unit / Street Block system is devised and used by the Planning Department for town planning purpose. Adjacent Tertiary Planning Units or Street Blocks with a small population are grouped for data dissemination. As population in small areas is changing rapidly, the boundaries of Tertiary Planning Units or Street Blocks adopted in the 2001 Population Census, the 2006 Population By-census and the 2011 Population Census are not exactly the same.	Please refer to the <u>Annex</u> in Section C
	<u>Living Arrangements</u> (New)	The respondent and his/her relationship with other household members living with him/her. The different categories of living arrangements are as follows: Living alone : A person not living with any other persons. Living with parent(s) only : A person living with his/her father and/or mother. He/she may, at the same time, be living with other persons who are not his/her spouse and child(ren). Living with spouse and/or child(ren) : A person living	Please refer to the <u>Annex</u> in Section C

Characteristics	Classification	Definition	Classification grouping
		with his/her spouse and/or child(ren). He/she may, at the same time, be living with other persons. This category can be further broken down into “Living with spouse and/or child(ren), and with parent(s)” and “Living with spouse and/or child(ren), and not with parent(s)”. The former refers to the case that the persons are also living with their parent(s) while they live with their spouse and/or child(ren). The latter refers to the case that the respondent's parent(s) is not living in the same household. Others : A person living with other persons other than his/her parent(s), spouse and child(ren).	
	Major Housing Estates (New)	Area of current residence of a person. A major housing estate refers to a group of residential buildings developed by the same developer (either in the public sector or in the private sector) in one or more phases in a neighbourhood and with at least 3 000 residents or 1 000 domestic households in 2011.	Please refer to the Annex in Section C
	New Towns	The delineation of the areas into new towns is adopted from the boundaries developed by the Civil Engineering and Development Department as well as Planning Department for new town development purposes. There are twelve new towns in Hong Kong, namely Kwai Chung, Tsing Yi, Tsuen Wan, Tuen Mun, Yuen Long, Tin Shui Wai, Fanling / Sheung Shui, Tai Po, Sha Tin, Ma On Shan, Tseung Kwan O and North Lantau.	Please refer to the Annex in Section C

Characteristics	Classification	Definition	Classification grouping
	Small Street Block Group (New)	Area of current residence of a person. The Tertiary Planning Unit / Street Block system is devised and used by the Planning Department for town planning purpose. Adjacent Tertiary Planning Units or Street Blocks with a small population are grouped for data dissemination. As population in small areas is changing rapidly, the boundaries of Tertiary Planning Units or Street Blocks adopted in the 2001 Population Census, the 2006 Population By-census and the 2011 Population Census are not exactly the same.	Please refer to the Annex in Section C
	Small Tertiary Planning Unit Group	Area of current residence of a person. The Tertiary Planning Unit / Street Block system is devised and used by the Planning Department for town planning purpose. Adjacent Tertiary Planning Units or Street Blocks with a small population are grouped for data dissemination. As population in small areas is changing rapidly, the boundaries of Tertiary Planning Units or Street Blocks adopted in the 2001 Population Census, the 2006 Population By-census and the 2011 Population Census are not exactly the same.	Please refer to the Annex in Section C
Others	Area of Residence 5 Years Ago	The broad geographical area in which a person lived five years before the Census / By-census. If the place is outside Hong Kong, the country of residence is recorded.	Please refer to the Annex in Section C
